## **TOURNAMENT RULES:**

Each team will play each other for the best 2 out of 3 games before advancing to the next round.

## **What is Cornhole?**

It has been called many things, Corn Toss, Bean Bag, Bean Toss, Soft Horseshoes, Indiana Horseshoes, but to many of us born and raised in Kentucky and the southern part of Ohio, the game is passionately referred to as Cornhole.

Cornhole or Corn Toss is similar to horseshoes except you use wooden boxes called cornhole platforms and corn bags instead of horseshoes and metal stakes. Contestants take turns pitching their corn bags at the cornhole platform until a contestant reaches the score of 21 points. A corn bag in the hole scores 3 points, while one on the platform scores 1 point.

Scoring can be swift and the lead may change hands several times in a match before the winner is decided.

The game is generally played tournament style with an individual or team being named the champion at the end of the tournament.

## **Why play Cornhole / Corn Toss?**

The biggest reasons to play Cornhole or Corn Toss is that *Cornhole can be played anywhere and everyone can play Cornhole.*

If you can aim and toss a corn bag 30 feet, you can master the game of Cornhole - It's great fun for the whole family.
